

Template (Lectionary)

The screenshot displays the Logos Bible Software 4 interface. The top window shows the 'Lutheran Service Book Historic (One Year) Lectionary' for March 25, 2011, featuring the feast of 'THE ANNUNCIATION OF OUR LORD'. It lists the Old Testament (Isaiah 7:10-14), Psalm (Psalm 45:7-17), Epistle (Hebrews 10:4-10), and Gospel (Luke 1:26-38). The main window displays the English Standard Version of Hebrews 10:4, with Greek text and Strong's numbers below it. The bottom window shows the Nestle-Aland Novum Testamentum Graece Editio XXVII and Biblia Hebraica Stuttgartensia: SESB 2.0 Version, displaying the Greek text of Hebrews 10:4.

Layout Concept/Purpose:

This layout serves as a template, or a beginning point, for your reading of the lectionary. It focuses upon ease of access from you initial reading of the texts into the original languages. This layout may serve as a launching point into a more in-depth study or may serve simply as a reading tool.

Usage Notes:

I find that by configuring your smaller textual resources as “bible text only” is more useful as my eye is more easily drawn to the text. This can be achieved by selecting the text properties button (the three circles, pink, blue and green) and selecting the checkbox “bible text only”.
